

Preschool Ministries of Philadelphia Baptist Church

Director: Renee Brown

Our volunteer staff of teachers, leaders, and paid care givers at Philadelphia Baptist Church are dedicated to providing a safe and happy environment in which your preschooler can learn and grow. We believe teaching preschoolers and serving children is a privilege. The experiences that they have here in our preschool ministry are important building blocks for their faith, and can pay lifelong dividends to both the child and his/her family. It is the mission of our Preschool Ministry to share the love and care of Jesus Christ in a meaningful and effective way to your preschooler.

Preschool Ministry Highlights... Partnering With Parents

Our preschool ministry is co-operatively run by loving and trained volunteers. After families have made the decision to make PBC their church home, it is expected that parents of our preschoolers join in this ministry and serve at least once a month in our Parent Rotation. Parents are asked to go through our volunteer screening and application process and placed on our volunteer schedule. The success and growth of our preschool ministry is dependent upon faithful, loving volunteers.

Sunday School Teaching

At PBC we offer Sunday School for all ages and believe it is important to start teaching children at the earliest of age about the love and care of the Savior. It is the desire of the staff of PBC that the teachers and leaders are trained and use age appropriate methods to share the love of Jesus with even our youngest little ones. Through age-appropriate Bible stories, songs and activities, our preschoolers learn of our Savior's love. The Primary SS hour for Preschoolers is during the 9:00 hour.

Worship Care Teaching

As a church we together provide a loving environment for preschoolers filled with age-appropriate activities that teach and reinforce the love and care of the Savior during not only the 9:00 Sunday School/Worship time but also during the 10:30 Sunday School/Worship time. So parents can be assured that children are receiving love, care, and nurturing during the entire time they are on the PBC campus.

Policies and Guidelines

Our ministry team has put together a set of policies and guidelines for both parents of preschoolers and our volunteer staff. These guidelines are meant to help our teachers, paid staff, and volunteer preschool parents understand their role in our preschool ministry. These policies are available online at www.pbcministry.com/preschoolministry or you may obtain a printed copy of these guidelines from our preschool ministry office or by request from Bro. Andrew by phone at 318-442-0754 Ext 16.
